

## *U of D Jesuit Sports Medicine Rules*

- No athletes allowed in athletic training room without supervision of athletic trainer (AT) or coach.
- Report all injuries to AT ASAP.
- If evaluated by outside medical authority bring clearance note to AT. No note=no playing/practicing.
- Be on time for evaluations, treatments and taping. These are not excuses to be late for practice, team meetings or games. Plan accordingly in conjunction with AT.
- AT is final return to play authority.
- Personal belongings must be left in the hallway to avoid crowding the athletic training room.
- AT is not responsible for lost or stolen personal property.
- No loitering. Once your treatment/evaluation is complete leave the athletic training room.
- Food and drink must be kept to a minimum. Clean up after yourself or this right will be revoked.
- Inappropriate language and behavior will not be tolerated. This is cause for dismissal from the athletic training room and discipline according to team/school rules.
- Respect fellow athletes and equipment within the athletic training room. It is considered a medical facility and should be treated as such.
